

Total Safety Services

Safeguarding your workplace with a woman's touch

COMPANY OVERVIEW

Total Safety Services is a woman-owned business providing safety consulting and field safety support for construction, industrial, and manufacturing environments. Our staff brings over 30 years of combined experience, supported by numerous OSHA-related safety certifications. We help businesses identify hazards, reduce workplace risk, strengthen safety performance, and address applicable OSHA requirements.

CORE COMPETENCIES

- Construction & industrial safety consulting
- On-site safety management & contractor oversight
- OSHA 1910 & 1926 compliance support
- JSA/JHA development & review
- Hazard assessments, inspections & audits
- Site-specific safety plans, policies & procedures
- Pre-task planning, training & toolbox talks
- Fall protection, LOTO & PPE assessments
- Incident prevention & corrective action support
- Safety documentation & recordkeeping
